The Honorable James W. Riddleberger  
Director  
International Cooperation Administration  
Washington, D.C.

Dear Mr. Riddleberger:

As you are aware, the National Security Council recently reviewed and reaffirmed the validity of the Overseas Internal Security Program (OISP) policy. For over three years our respective agencies have co-operated closely in this interagency program.

25X1

In such a cooperative venture I think it is essential that we maintain a close working relationship and an understanding of problems arising in connection with the program so that we can carry out national policy objectives. In this regard, I would like to arrange for [redacted] who has been designated as CIA's point of contact on the OISP, to call on you at your convenience to discuss CIA's role in this program.

Sincerely,

Allen W. Dulles  
Director
